---

ADOPTING REVISIONS TO THE PUBLIC INFRASTRUCTURE MAP FOR THE EAST HONOLULU SUSTAINABLE COMMUNITIES PLAN AREA FOR A PARK, HAWAII KAI, OAHU, HAWAII.

WHEREAS, the Public Infrastructure Map for the East Honolulu Sustainable Communities Plan area has been adopted by the Council by Resolution 00-38; and

WHEREAS, a dog park has been proposed to be developed in Hawaii Kai, as shown in Exhibit A, which would provide a much needed recreational facility for the East Honolulu community and would be consistent with the general plan, the East Honolulu Sustainable Communities Plan, and the appropriate functional plans; and

WHEREAS, the proposed dog park will be located on a portion of the parcel known as TMK No. 3-9-17:21, adjacent to the existing Hawaii Kai park and ride facility, which is the site proposed for a police station, and the park is not proposed to displace any future plans to construct a police station on the remainder of the parcel; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu, 1990, as amended, provides that if the department of planning and permitting has not prepared a report and recommendation to the council on a proposed revision to a public infrastructure map prior to introduction of the resolution proposing to effect the revision, the department shall have 75 days following introduction of such resolution to review the proposal, consult with other governmental agencies and with appropriate community organizations, and prepare a report to the council making a recommendation; and

WHEREAS, the ordinances further provide that unless a report is received by the council, no action on the resolution shall be taken prior to the expiration of the 75 days except on a motion supported by two thirds of the entire membership of the council; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the East Honolulu Development Plan area be revised to include a park symbol for the Hawaii Kai dog park; and

BE IT FURTHER RESOLVED by the Council that the park symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the project has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the Council; and
